- AW Tozer said 'Justice is not something God has, justice is something God is' – can you think of examples of this from the Bible?
- Why do you think God has a particular concern for the poor, the marginalised and the oppressed?
- How does the theme of justice fit in with the message of the coming of God's Kingdom and the good news of Jesus?
- Can you think of examples from the Bible and history, where major breakthroughs have only come after years of faithful prayer?
- What are the issues that you feel most passionately about? How might God be calling you to get involved in them?
